

Bird installation Quick Guide

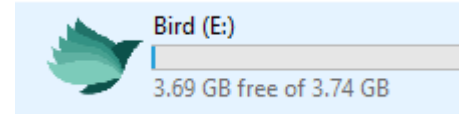

1 Connect the USB receiver

Plug Bird's USB receiver into a USB port on your PC.

2 Install Bird's application

Open 'Windows file explorer' and double click on Bird Icon

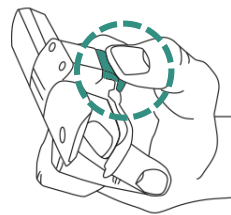

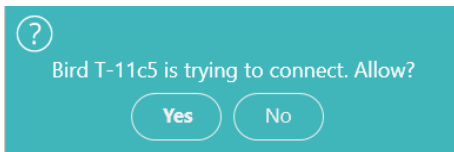

Double click the BirdApp's icon to install the software

3 Connect Bird

Wear Bird on your right hand index finger and wait for the connection message. If there the message doesn't appear, press the home button for few seconds until you see the message.

4 Connect additional Birds

To add another Bird repeat the process. The Bird system supports up to 5 connected Birds.
